

Lightbar WL VX250-WD

Wide Beam Pattern

For a large-area and wide light distribution

Up to 72 m long beam

See and be seen with OSRAM

2 in 1: Front and rear application

Matched to individual requirements and needs for versatile applications

IP & IK protection classes

Tested and validated in a DIN-certified environmental simulation laboratory

Powerful LED working lights

Experience exceptional visibility with the OSRAM LEDDriving Lightbar WL VX250-WD – a compact, powerful wide beam LED working light that combines affordability with performance, quality and durability. Designed to meet diverse tasks, the working light impresses with a luminous flux of up to 3000 effective lumens and a wide beam pattern with a light beam up to 72 meters. Emitting a color temperature of up to 6000 Kelvin and equipped with 8 high-performance OSRAM LEDs, the working light delivers consistent and reliable brightness, significantly enhancing safety at work for you and others.

Built for durability, the working light features a robust aluminum housing and a shatterproof polycarbonate lens. It withstands harsh environmental conditions such as dust, water, impacts, extreme temperatures and vibrations, meeting IP6K8 and IP6K9K standards verified in a certified environmental simulation laboratory. Versatile in its application, this LED working light is an effective addition to trucks, construction machinery, agricultural and commercial vehicles, as well as off-road vehicles. In addition, it is ECE R148 approved for use as a reversing light. Whether on the farm, on-site, or in the wilderness, the OSRAM LEDDriving Lightbar WL VX250-WD is a reliable and efficient lighting solution that enhances performance and safety in challenging conditions¹⁾. OSRAM provides a 2-year guarantee²⁾.
