Adapters included
Adaptors included for sports equipment and leisure inflatable

OSRAM's award-winning inflators – trusted quality at a competitive price

The OSRAM TYREinflate ESSENTIAL is your compact, go-anywhere solution for fast and effortless tyre inflation. Designed with everyday convenience in mind, this reliable analogue tyre inflator can inflate a standard 13" car tyre in just 4.5 minutes, making it ideal for emergencies or routine pressure checks. The clear analogue pressure gauge, featuring dual PSI and BAR markings, allows for quick and accurate readings at a glance so that you can inflate with confidence every time.

Built for practicality, the OSRAM TYREinflate OTI611ESN includes a long 3-metre power cable and a 60cm air hose, providing you with the flexibility to reach all four tyres quickly and easily. The single-button operation makes inflation straightforward, even under pressure, while the included three-piece adaptor kit lets you tackle a range of tasks — from inflating bike tyres and footballs to pool inflatables.

Compact and easy to store in your boot or glovebox, the unit also features integrated cable management and a Velcro backing for secure, clutter-free storage. Whether you're commuting, road-tripping, or just topping up tyre pressure at home, the OSRAM TYREinflate OTI611ESN delivers dependable performance and convenience whenever you need it.
